

Citation Manager

By

Fasuyi F. O.

A Step-down training
from CERHI Short
Course

What is Mendeley?

- A free citation management tool
- Lets you collect & organize citations, & then easily insert them into documents & format bibliographies.
- Also allows **PDFs** to be **dragged & dropped** into your library & extracts the metadata to create a library!

Mendeley

- Allows you to **highlight and annotate** your PDFs and share them with others.
- Colleagues can then also annotate the same document, with each author displaying as a different color.

Beauty of Mendeley

- **Use more than one computer?**
 - Download Mendeley Desktop to as many computers as you want.
 - Sync them with a click of your mouse.
- **Need to use your library away from your computer?**
 - Mendeley Web gives you access to your citations no matter where you are.

Mendeley as a Social Tool

- Mendeley is **social**:
 - create a profile,
 - follow other researchers,
 - create a network of people doing similar research.
- **Discover** the articles and journals that are being read in your field right now.

Summary

- **Mendeley is a free reference manager and academic social network that can help you organize your research, collaborate with others online, and discover the latest research.**
